Chair Lucas,

I am Sylvia Glass, the Broad Run District Supervisor serving on the Loudoun County Board of Supervisors. I am writing to support Senate Budget Amendment 300#8s (Senator Boysko) and House Budget Amendment 300#7h (Delegate Reid), funding for Special Adapted Resources Clubs (SPARC). While the Loudoun County Board of Supervisors supports these budget amendments as a body, I wanted to individually write as a supervisor and special education teacher.

SPARC provides essential day programs for residents of Loudoun County with total and permanent developmental disabilities out of their location in Leesburg. These programs offer participants a meaningful, supportive, and educational day service that enables a sense of belonging and full community integration. By fostering independence, SPARC enables young adults with severe developmental and physical disabilities the opportunities to live more engaging lives. The proposed funding is essential to providing necessary services to Virginians with developmental and physical disabilities.

Thank you for considering my support of Senate Budget Amendment 300#8s (Senator Boysko) and House Budget Amendment 300#7h (Delegate Reid), funding for Special Adapted Resources Clubs (SPARC). Please do not hesitate to reach out with any questions through my contact information above.

Regards,

Supervisor Sylvia R. Glass
Broad Run District
Loudoun County Board of Supervisors
